3. Circle the problems that Jesus said that are still in the world today.

4. Look at all the problems that are above and list 3 and what you think is their cause and a possible solution.

## SOLUTIONS

The Bible describes the basic cause of all problems is sin which is man's rebellion

<sup>19</sup>We know that everything in the Law was written for those who are under its power. The Law says these things to stop anyone from making excuses and to let God show that the whole world is guilty. <sup>20</sup>God does not accept people simply because they obey the Law. No, indeed! All the Law does is to point out our sin."

### *God's Way of Accepting People*

<sup>21</sup>Now we see how God does make us acceptable to him. The Law and the Prophets tell how we become acceptable, and it isn't by obeying the Law of Moses. <sup>22</sup>God treats everyone alike. He accepts people only because they have faith in Jesus Christ. <sup>23</sup>All of us have sinned and fallen short of God's glory. <sup>24</sup>But God is really kind and because of Jesus Christ, he freely accepts us and sets us free from our sins. <sup>25-26</sup>God sent Christ to be our sacrifice. Christ offered his life's blood, so that by faith in him we could come to God. And God did this to show that in the past he was right to be patient and forgive sinners. This also shows that God is right when he accepts people who have faith in Jesus."
